New Mexico Film Office Announces Feature Film “Go On” Filming in New Mexico

Montezuma, NM—The New Mexico Film Office announced today that the feature film “Go On ” will film in and around Montezuma through September.

“Go On” is written and directed by Landon Ashworth and produced by Matt Dean (“The Old Man and the Sea: Return to Cuba”) and Reinhard Lorenz (“Hello Out There,” “The Unexpected,” “Alien Intervention”).

The film stars Ashworth and Vincent Kartheiser (“Mad Men”) as they tell the story of two strangers stranded on a fire-scarred mountain, grappling with their pasts and preparing for what lies ahead. Inspired by personal loss, it delves into themes of grief, healing, and the unknown.

The production will employ over 20 New Mexicans, including 20 crew members and 4 resident principal actors.
