

STUDENT INTERNSHIPS

Off-Campus Work-Study Partner Information Sheet

Student internships will provide students with meaningful experiences that align with their career goals.

Students will be able to further develop career readiness skills and build their resume with experiences related to their major.

THE PROGRAM

Internship opportunities for qualified students in high-demand professions.

Student interns can work up to **20 hours** per week.

San Juan College will assist employers with Student Intern wages.

- Students are paid \$15/hour
- 100% of wages covered for all employers!

Student Interns cannot replace or displace a paid employee.

HOW TO GET STARTED

- Contact San Juan College Career Center
- Complete worksite agreement
- Provide a detailed position description
- Interview and select an intern
