## Experience

SEPTEMBER 2021 - PRESENT

**Certified Optician / Warby Parker** - Albuquerque, NM

- Performs eyeglass frame adjustments and repairs. Includes proper alignment of frame, comfortable fit, functional vision and instructions on proper wear and care of eyeglasses.
- Performs glasses check in process, verifying all information, prescriptions, materials, and measurements are accurate.

JUNE 2017 – AUGUST 2021

**Dispensing Optician / Lab Tech / MyEyeDr** - Columbus, GA

- Mount and secure lens blanks or optical lenses in holding tools or chucks of cutting, polishing, grinding, or coating machines.
- Cut, grind, and polish eyeglasses. Assemble and mount lenses into frames or process other optical elements.
- Performed optometric technician duties as duties such as pre-testing patients and providing CL I&R.

MAY 2014 – JUNE 2017

**Dispensing Optician / VA Medical Center** – Albuquerque, NM

- Served the eye care needs of veterans via walk in clinic by scheduling appointments in the optometry department, helping select their frames, and making adjustments/repairs.
- Performed glasses check in process, verifying all information, prescriptions, materials, and measurements are accurate.

JUNE 2012 – MAY 2014

**Optical Lab Tech / OD Tech / Cottonwood Eye Care Group** - Albuquerque, NM

- Managed three (3) eyecare provider locations.
- Performed OD tech duties such as pre screening.
- Clean finished lenses and eyeglasses, using cloths and solvents.
- Mount, secure, and align finished lenses in frames or optical assemblies, using precision hand tools.
