EXPERIENCE

Film Industry Experience - Varying Positions

March 2019 - PRESENT

<https://sadaknoel.wixsite.com/eye-of-sadak/about-9>

Studio 117 - York PA - Recording Engineer/Mixer

June 2019 - August 2025

Work independently with customers in a professional sound studio recording and mixing vocals as well as instruments all while providing the highest levels of customer service. Also work mobilly recording music therapy sessions at senior homes as well as on location recording of orchestras.

Youth Sports Photos - Photographer

March 2023 - June 2024

Work as a photographer completing mass amounts of portraits for youth sport teams. Must be quick in framing, posing, and handling subjects. Must be organized in handling of data for an efficient and quick turnaround. And have to be patient in dealing with children, families, and ever changing timelines.

United States Marine Corps — Field Radio Operator/Cyber Network Operator

June 2014 - October 2021

Operates and facilitates over \$2.2 million worth of HF, VHF, and UHF systems to include radios, satellite phones, and SATCOM systems in both field and office environments. Must accurately and clearly pass messages and keep track of incoming traffic while maintaining radio etiquette in high stress situations. Must memorize and know appropriate reporting procedures for a variety of situations and how to prioritize them. Must be physically fit, mentally organized, and able to perform under pressure.
