The New Mexico Film Office Announces the multimedia project “Meow Wolf Companion App” in New Mexico

The New Mexico State Film Office today announced that the multimedia project “Meow Wolf Companion App” produced by Meow Wolf is in production through mid-December in Santa Fe.

The production will employ approximately 8 New Mexico crew members.

The "Meow Wolf Companion App" is a mobile application that beckons guests to dive deeper into the worlds of Meow Wolf exhibitions. The app will serve as a gateway to interactive games, branching narratives, and conversations with characters in the Meow Wolf multiverse.
