

## **Character BIOS for Rules of the Game Series:**

**Jake (30-35):** Jake lost a seven-year relationship with his girlfriend. He is alone and narcissistic, as well as comical and will do anything to catch the attention of future girl in his life. He also works as a mechanical engineer at local company. His claim to fame is any girl who are in a relationship with him must follow his Rules of the Game.

**Julie (25-30):** Julie is focused on her career and has just ended her long 7-year relationship with her boyfriend Jake. She is driven, and motivated and has moved to California to start her new job.

**Stacy (25-30):** A single and funny woman who is quite the flirt when it comes to other guys. She is also a best friend of Julie's since high school. She has a crush on Jake and will do anything to get with him even at the expense of undermining her best friend.

**Rachel (20-25):** Rachel is a young college student and works as a bartender. She is very close to her brother Tommy who has watched over her since she was a kid. She was recently diagnosed with cancer and battles to stay alive as her brother tries to find a cure for her.

**Tommy (25-30):** Tommy is the older brother of Rachel. He is a doctor and also very protective of his sister and is really close to her. He ends up meeting Julie after her breakup with Jake and starts to date her. He struggles with anger issues and will cause harm to anyone who stands in the way of him and his sister especially when it comes to helping treat her cancer diagnosis.

**Jerry (25-35):** Jerry is a self-serving individual who focuses on his work as a doctor. This jeopardizes his own personal relationships with others. He recently divorced his wife Rachel after she was diagnosed with cancer. He will not allow Tommy, his co-worker and ex brother in law, anywhere near test medications that have been made for his ex-wife Rachel, fearing it will cause more harm than good.
