## **The New Mexico Film Office Announces Psychological Thriller, *Jane* has Begun Production in New Mexico**

SANTA FE, N.M. – The New Mexico Film Office today announced the feature film *Jane* is currently in production in New Mexico. The film is produced by JanePlus Films LLC and Creator+. Filming will take place through August 2021 in Albuquerque, New Mexico.

“The New Mexico film and television industry continues to see increased numbers of productions shooting and interested in our state. We are happy to welcome the team of *Jane* to the Land of Enchantment,” said Amber Dodson, Director, New Mexico Film Office.

*Jane* centers on a seemingly perfect high school senior, Olivia, who struggles with grief from the recent loss of a friend. When she gets deferred from her dream college, she begins to spiral and experiences a series of increasingly frightening panic attacks. To regain some sense of control, she embarks on a social media-fueled rampage against those that stand in the way of her success but, as things escalate, she is forced to confront – and ultimately embrace – her darkest impulses to get ahead.

*Jane* is directed by Sabrina Jaglom (*Unforgettable*, *Night Bell*), produced by Debbie Liebling (*PEN15*, *65*, *Plus One*) and Creator+ Head of Production Nick Phillips (*Gunpowder & Sky's Alt*, *Facebook Watch's The Real Bros of Simi Valley*), and Head of Content Studio Adam Wescott (YouTube Original's *This Is Everything: Gigi Gorgeous*).

“New Mexico was on our radar from the beginning because of its growing infrastructure for film and television production. There is an obvious demand for great hires, locations and more here in Albuquerque. So, we're thrilled to be shooting *Jane* here,” said Adam Wescott, Head of Content Studio, Creator+.

The production will employ approximately 40 New Mexico crew members, 10 New Mexico principal cast members, and 125 New Mexico background and extras.

The film stars Madelaine Petsch (*Riverdale*), who's also producing, in the lead role as Olivia. *Jane* will also feature 5x Grammy-nominated singer songwriter, pop-infused R&B sensation Chlöe Bailey (part of the sister duo Chloe X Halle),

playing the role of Izzy, and Melissa Leo as Principal Rhodes, who won an Oscar for the Best Performance by an Actress in a Supporting Role for *The Fighter*.

All film and television productions in New Mexico are required to adhere to the state's operative emergency public health order, associated public health restrictions, industry joint labor agreements and COVID-Safe Practices.

The New Mexico Film Office has released Back2One, a catchall set of principles, general recommendations, and resources for film and television productions operating during COVID-19. Back2One recommendations and other COVID-Safe Practices can be found at [nmfilm.com](http://nmfilm.com)
