## **ADDITIONAL AVAILABLE CREDITS**

### **1. Nonresident Below-the-Line (BTL) Crew Exception credit (NRCE)**

Allows for a 15% credit for the payment of wages for BTL crew who are not New Mexico residents. When participating in this credit the production must fulfill a 2.5% giveback. The giveback amount is calculated by taking 2.5% of the total nonresident below-the-line crew direct production expenditures (“direct production expenditures for the payment of wages, fringe benefits and per diem for nonresident industry crew made by the film production company to nonresident industry crew”).

### **2. Film Crew Advancement Program (FCAP)**

This on-the-job training program focuses on NM residents working in primarily technical industry positions. This program serves as an incentive for participating companies to provide job opportunities to New Mexico residents who are ready to move up within their department or are adding a new skill set. All FCAP participants must have a mentor. The FCAP program provides a 50% reimbursement of the qualifying participants’ wages for up to 1040 hours physically worked by the crew member. Two FCAP positions are allowed per production, with the exception of the participation in Operation Soundstage (see below).

### **3. Operation Soundstage (OSS)**

This is a New Mexico veteran program under the Film Crew Advancement Program (FCAP). This program helps to attract veterans with transferrable skills to the film industry and fast-tracks them into IATSE Local 480, the local below-the-line crew union in New Mexico. If a production is participating in OSS, a total of three FCAP positions per department are allowed, 2 FCAP participants, and one OSS/FCAP participant...
